WWOOF is a worldwide movement linking volunteers with organic farmers and growers to promote cultural and educational experiences based on trust and non-monetary exchange, thereby helping to build a sustainable, global community. WWOOF was first founded in 1971 in the UK, and now there are WWOOF organizations in more than 132 countries around the world.

WWOOF Korea, established in 1997, represents 65 WWOOF farms all over the country. If you join WWOOF Korea, you can experience life as a farmer, volunteering for 4-6 hours per day in return for your meals, accommodation, and culture.
