- Up to 100% of the tuition fee can be provided as a scholarship depending on the result of the applicant's scholarship evaluation conducted by the department (college).

11 Application Guidelines

1. Application Period

- A. When there are inadequate documents, an applicant will be excluded from the final evaluation. Also, if the information mentioned in the submitted documents is proved to be false, acceptance will automatically be cancelled (also during the period of attendance; no refund on tuition).
- B. In a case when there is a cancellation after registration, applicants need to visit the International Student Services Office with their ID cards to apply for a refund of tuition **by Tuesday, August 8, 2017, 16:00** (full refund of tuition). If applicants withdraw their admission after the semester has started, tuition will be refunded according to SKKU's refund policy.
 - ※ The admission fee is non-refundable.
- C. For students who have graduated from foreign universities: The university applicants graduated from must be an officially approved institute of higher education by the national governments. If there are any problems or reasons for disqualification, admission will be cancelled.

D. For students who have graduated from foreign universities: Applicants need to check whether the university where they are from is listed on the "List of Universities of the World" provided by the International Association of Universities (IAU) under UNESCO. If the applicants attended a university that is not on the list or the English name of the university is written differently, they need to submit a certificate issued by the embassy of their home nation to prove that the university is accredited by the government.

※ Applicants who fail to submit documentation are considered disqualified.

※ <http://www.whed.net/home.php> for List of Universities of the World

E. Applicants need to submit an original copy of an official language proficiency test score. Submitting a copy is possible after confirming it with the International Student Services Office.

2. After Notification of Acceptance

A. For students who have graduated from foreign universities, applicants need to actively cooperate when asked to make inquiries to their graduate universities even after their entrance. If a student is uncooperative, he/she will be regarded as disqualified and therefore their admittance will be cancelled.

B. If students are currently enrolled in an undergraduate or graduate course (have not graduated yet), they should submit an official document that indicates their expected date of graduation and must submit the required graduation certificate by **Friday, August 25, 2017** to Office of International Student Services. Please indicate your name, application number, major, and program for graduate school at the bottom right side of application documents (Applicants who fail to submit documentation are considered disqualified). If applicants do not submit the graduation certificate by the deadline, their admittance will be canceled, in some cases.

※ Applicants please write your Name/Identification number/Program/Major on the bottom right corner of your transcript.

C. All successful applicants should get a 'Certificate of Admission', regardless of having a visa. Certificate of Admission will only be issued after submitting all of the necessary documents.
